

Her Majesteas Salon
H I G H T E A P A R L O U R

Welcome to **Her Majesteas Salon**, or **HMS** for short.
Named after the longest reigning British monarch;
Her Royal Majesty, Empress of India, Great Grandmother of Europe,
Queen Victoria.

She may not have been everyone's cup of tea,
but she did bring 'high tea' to the world – so high-five to the old girl.

The Victorian Guest Lodge, home to our beloved HMS,
was established circa 1864 during the 27th year of
Queen Victoria's 64-year reign.

Kindly note that a **10% service charge** is added to your bill
to appease our revolting parlour maids and footmen.

Please let us know if '*you are not amused*' with our service standard.
We'd rather fix a mistake straight away than have you whine later on social media.
On that – we're slow when we're busy. So, keep calm and have some tea.

We've got an antique till and a new-fangled card machine. AND WE'RE **LICENSED**.

Hours

Wednesday to Saturday – 8h00 to 15h00
Sunday 8h00 to 15h00 – kitchen closes 14h30 (finish and klaar)

Our story

Circa 1864

Now known as the Victorian Guest Lodge these buildings were built circa 1864 by our town founder, Heinrich Julius Ueckermann. My mom, now a sprightly 80-plus years young, first lodged in this building at the tender age of 12. She fell in love with the place right away and eventually made it hers in 1964. 100 years old at the time, the premises were about to be declared slums, however wallpaper glue and tender loving care has held it together for over 150 years.

Circa 2008

On my 40th birthday my mom handed me the keys and we knocked on the door of room number 7 to ask a wonderful woman named Werna (my-sister-from-another-mother) to help us build a dream. This dream keeps on happening every day thanks to her and her team. HMS opened on Easter weekend 2010 and thanks to you, our fabulous customers who keep on coming back for more, we're still cooking.

Circa 2016

Shop in the main **HMS** parlour for one-of-a-kind bracelets and rings crafted from old silver cutlery, glass teapots, teapot nappies, lovely full leaf teas and organic cordials. (When in stock).

N.B. Dear parents, we LOVE well-behaved kids who are raised old-school style. Those are most welcome here ;-). **However**, naughty, noisy kids who are left to run riot will really be much happier at Spur or elsewhere. Also note, our doggies are previously disadvantaged and not kiddy-friendly. They wont maim or take a limb, but they may nip a tootsie when approached.

All our pies are served with Roast Veg or Victoria Salad or Chips and take least 15min to prepare.

Tea Menu

So many teas, so little time!

Choose from our wide range of premium full and loose-leaf black, green, red and white and teas, tisanes, and flowering teas. We do not serve retail bleached teabag teas.

Go on. Give a new tea a try! Travel the world with your taste buds.

Preparation

Our teas are prepared with filtered water heated to just under boiling point, strained up to three times (through a ball sieve, glass filter and tea sieve) and steeped in a high filter (so that after your first cup of tea the leaves sit clear of the water level) ensuring that your next cup of tea will not over-steep and taste bitter.

Buy a teapot (when in stock)

Presentation

Our full-leaf and loose-leaf teas are served in glass teapots, allowing you to appreciate the beautiful shades and tones of each tea, and can be topped up with hot water, again and again, giving you up to 4 cups of delicious liquid heaven. You also get to sip your tea from one of our pretty Maxwell Williams teacups.

Enjoy!

Tips

Never get married in community of property, *never* buy an HP printer and *never* cave under e-toll pressure! Also, we automatically **include a 10% service charge** to your bill to reward our revolting parlour maids and footmen. If however, 'you are not amused' with the service standards, kindly let us know and the 'royal we' will see what we can do to up our game. If you'd like to give us a bigger tip... please feel free ;-).

Split Bills

You are most welcome to split your bill - provided you assign someone at your table to do the admin. We don't mind taking a mix of cash and credit cards for one bill, as long as we don't have to run separate tabs for you. It just takes up way too much of our precious time and there's nothing in it for us. Unless... you're ok with a 15% service fee... then Werna will split your bill for you.

Comments, Compliments, Complaints & Contacts

The complaints department is on the second floor. Just kidding ;-). We want you to be happy, and we welcome constructive criticism. Please tell us *right away* if something is not to your liking and we'll do everything we can to fix it here and now. If you're happy though – which is our main aim, kindly give us a good review on Tripadvisor – see the back of our business card for more. XXX mwah!

On that, bitter, twisted and passive-aggressive comments posted on the Internet or some public forum won't give us a chance to improve YOUR experience RIGHT NOW. It also won't make you look like the well-adjusted, confident, reasonable, charming and super-sexy individual that you are. So just speak up now – we want to make you happy, because we're well-adjusted, confident, reasonable, charming and super-sexy individuals too. Did I mention modest?

Prices

If you're a regular here (we looove you) you may have noticed that we adjust our prices from time to time. It's not that we want you to fund my long overdue boob job (which finally happened Feb 2013!) or help Werna launch us into a multi-million Rand success story overnight – it's just that our prices have to be right if we want to afford to keep you happy, salivating and fabulously fat. (The latter also makes us look thinner.) And of course there's the effect of the draught, and our 'esteemed' leader and his spectacular impact on the economy in general. Need we say more?

Privileges

Whether you come here for the great food made with love and fresh ingredients, the interesting décor, the lekker laidback vibe, the cool music, the 60's soft porn in the gents' loo, Werna's incredible cleavage (not that I need to be envious anymore), or simply because you're allergic to chunky white tea cups, happy birthday rap songs, being called 'oom' or 'tannie' (when you're clearly a still a sexy stud or yummy mummy) or 'stoute kindertjies' behaving badly – and getting away with it – we're here for you. On that, **mommies and daddies, pretty please, make sure your kiddies are enjoying a fun day out *without* spoiling the day for our other patrons. We are on the cusssp of making it an adults-only venue due to this.**

Private Functions & Venue Hire

SPLIT YOUR OWN BILLS PLEASE

You are most welcome to split your bill, provided you assign someone at your table to do the admin.

We don't mind taking a mix of cash and credit cards for one bill, as long as we don't have to run separate tabs for you. It just takes up way too much of our precious time and there's nothing in it for us.

Unless... you're ok with a 15% service fee, then Werna has an incentive to split your bill for you – just give her a heads up **AT THE START**. IT MAKES SENSE HEY.
